

## AR SMART HOGS APRIL MINI MUSTER 2019

Beaux Bridge, Louisiana

The SMART Hogs meet with the Cajuns at Pouches RV Park, at Beaux Bridge Louisiana. We were warmly welcomed by the SMART Cajuns. The RV park was well laid out and in a rural area. We joined in on the activities and played lots of games.

Some of the braver of us went on the Swamp Tour. It was about an hour-long boat ride throughout the local swamp area. We were able to get up close and a little too personal with the local alligators. There was a plethora of birds, of all types. There was one area of the swamp that was a sanctuary for birds that begin arriving around the end of April and start of May. We visited the local area and tried several of the restaurants. The food was good. I think the best food was served at the RV Park. There was a crawdad fest and more crawdads than you've ever seen. Everyone ate till they could barely move. Looking forward to next year!!

We had four rigs represented and had a mini meeting to discuss the upcoming regional muster. Carolyn Eck was a little under the weather but all in all it was a fun time. You can also see pictures on the SMART PAGE of the flag retirement ceremony.

Our next meeting will be in May at Cloud Nine in Hot Springs, AR May 16-20.

Please keep those of our members that are facing illness or other issues, in your thoughts and prayers.

Safe Travels

Respectfully,

Lisa Duckworth, Secretary
