

Y'all Come Muster

April 22-28, 2022

Poche's Fish and Camp RV Park

The Y'all Come was the first since Francis and Lynette Arceneaux gave up the reigns. There were several hiccups along the way but the crew muddled through them. We would like to thank all the cooks who participated in making this muster work. Fan and Brennan Disher prepared a delicious pork dinner with all the sides. She had assisting them Karen Deblieux, who made some of the sides to go along with the meal. Wayne Lam prepared the crawfish meal with assistance from several other cooks. The crawfish was paid for by Sky Med. Doug and Janet Barksdale obtained the fish and had help from Doug Letsinger, Bo Deblieux and Johnnie Leggett in preparing a wonderful fish, potato salad and Cole slaw meal. The last night was a potato bar and all the toppings along with Chili prepared by Kathy Padgett and Kathy Letsinger. The first night of course was the potluck where everyone brought a dish that of course was wonderful. Again, thanks to all the cooks.

The golf tournament was scheduled but was cancelled due to weather related problems. Gloria Brady-Cross coordinated a tour of the live oaks at St. John Cathedral. A swamp tour was scheduled and led by Lynette Arceneaux.

A Note from the new Y'all Come Host

Hi Everyone, as you know, I (Kathy Padgett) volunteered to take over as host of the Y'all Come for 2023. There is no way that I can compete or come up to Francis and Lynette's standards, but I will try my best to keep the essence of the Y'all Come, that they started some 20 years ago. As most of you know, who were present for this year's muster, things were done a little different. In the opening of the newsletter, I talked about the different cooks that prepared meals. I would like to keep that method going, but would like to see others volunteer. It can be a group of people like what we did this year. It does not have to be a fancy meal but one that is nourishing. We will still have the crawfish boil and the fish fry since that is what makes the Y'all Come, the Y'all Come. We will need volunteers to assist with this so please let me know if you can help.

I haven't decided about breakfast yet, but in the last several years more and more people have not attended. Breakfast is expensive so perhaps the money can be more wisely spent, since we don't know if we will have a sponsor next year for the crawfish. I was thinking perhaps a continental breakfast of some type of sweet roll, coffee and juice, but again, no decision has been made. Just food for thought, if we want to continue with breakfast we may need to increase the cost of the muster.

I want everyone to enjoy the future Y'all Come, including the cooks. So if we continue with volunteer cooks everyone can enjoy the muster. Keep in mind you would be reimbursed for foods just keep your receipts.

I truly want to continue the success of the Y'all Come and hope that everyone can pitch in and help. There will continue to sign up lists for preparing the meals of crawfish and fish fry, serving and clean up. Also, everyone is still responsible for bringing an appetizer and a dessert on the day of their choosing (except if you prepare a meal) just like all our musters.

Thank you in advance for your help and support. If you have comments or suggestions please free to contact me via email or phone as listed in the roster.

Future Musters
