

## SMART Duffers

Good News: David Weis and Charley LeBlanc have stepped up to be our President and Vice President respectively. I have volunteered to take the Muster Master position and host the national golf tournament.

### President's Message:

It's an honor and pleasure to become the Chapter President of the Duffers. This is a fun group of folks who enjoy the game and whether you're just learning or a seasoned golfer, you'll enjoy the comradery and the fellowship of the Duffers.

*David Weis*

Update: The 2024 National Muster staff are working hard to make next year's National Muster the best ever. We will be having a golf tournament and we have given our national muster golf tournament a new name, "The President's Cup."

We will conduct the tournament at Joint Base Charleston's championship Wrenwood Golf Course. We will be using a handicap scramble format so players of all skill levels can compete. The green fees are very reasonable, and the entry fee will be \$10 to cover prizes.

Note: Let's work together to make the SMART Duffers one of the best chapters in SMART and earn the coveted "Chapter of the Year Award" next year. Check with your friends at each muster or rally you attend to see if they are a golfer/duffer and ask them to join the SMART Duffers. It's all about fun with the Duffers. Anyone, of any ability, can join in with us. SMART members just need to go to <https://www.smartving.org/chapterCore/join.php?cha=duffers> to join.

HELP! We need one member to step up and take on the Secretary/Treasurer position. SMART HQ is holding funds that we have remaining and will transfer those funds when we get someone to fill the position. Please consider taking on this role.
