

SMART Duffers

President's Message:

The SMART Duffers are all warming up and getting ready for our President's Cup Golf Tournament being held September 16, 2024, at the Smart National Muster. We gather every year at our National Muster to play a round, have fun and enjoy the comradery of fellow Smart golfing members. We continue to seek new members to help us enjoy the game of golf and invite you to attend our Chapter meeting at the 2024 National Muster. More information will be available as we get closer to the 2024 National Muster. You may also contact Duffers Chapter President, David Weis at dweis74@hotmail.com.

David Weis

Update: The 2024 National Muster staff are working hard to make next year's National Muster the best ever. We will be having a golf tournament and we have given our national muster golf tournament a new name, "The President's Cup."

We will conduct the tournament at Joint Base Charleston's championship Wrenwood Golf Course. We will be using a handicap scramble format so players of all skill levels can compete. The green fees are very reasonable, and the entry fee will be \$10 to cover prizes.

Note: Let's work together to make the SMART Duffers one of the best chapters in SMART and earn the coveted "Chapter of the Year Award" next year. Check with your friends at each muster or rally you attend to see if they are a golfer/duffer and ask them to join the SMART Duffers. It's all about fun with the Duffers. Anyone, of any ability, can join in with us. SMART members just need to go to <https://www.smartrving.org/chapterCore/join.php?cha=duffers> to join.

HELP! We need one member to step up and take on the Secretary/Treasurer position. SMART HQ is holding funds that we have remaining and will transfer those funds when we get someone to fill the position. Please consider taking on this role.
