

Buccaneers/Gold Coasters Joint Mini Muster 29 June – 3 July 2025

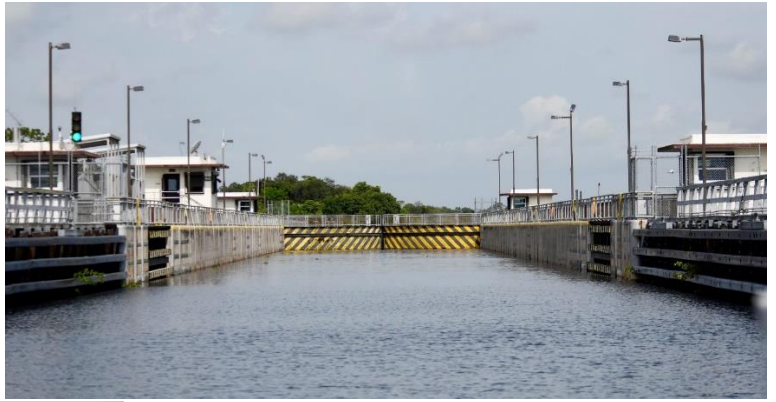

The Buccaneers and Gold Coasters just completed our Joint Mini Muster at the WP Franklin Campground outside Fort Meyers, Florida. We had 5 days of sun and a few cooling thunderstorms to add to the excitement. While we were there enjoying each other's company we took a boat ride on the Caloosahatchee River, dined at the Alva Country Diner and the Boathouse Bar and Grill, checked out the Ford and Edison homes, and a local roadside stand with a petting zoo. Back at the campground we had a Happy Hour with fully stocked bar, a cookout, and a friendly bean bag baseball game. Hope to see everyone at our next muster!

Our next muster is The Veterans Day Muster in Vero Beach, FL from 10-14 Nov 2025.

You don't want to miss this one... lets end the year with a great attendance record!
