**From the President,  
SARAH COLT**

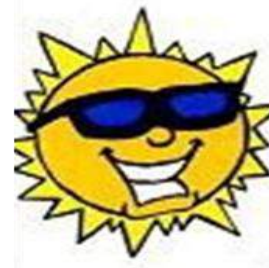

Dear Sunshiners,

What a wonderful time we had at Cedar Key in April! Great weather, great food, great people, fun games, and a fabulous Art Show in town! What more could we have asked! Our hosts, the Mackeys and the Hodges, made every effort to see that everyone was well cared for and well fed. Crafters made bracelets with Paula and had a quilted jacket lecture by a quilter from Cedar Key. Thursday night we had Annie's restaurant all to ourselves—closed for private party said the sign—and we had a lovely dinner on the deck. On Saturday, many of us went into town to attend the Art Festival. The highlight of the week-end came with "Games with Susan" as she came up with another rollicking session of "Minute to Win It" wherein a group of us attempt impossible chores (rub your nose in Vaseline then pick up a cotton ball with your nose and then drop it in a bowl, for example). The victors in this insanity were Tony Korvas and Margot Mills.

As you will see in the minutes, we added a Standing Rule ; SR#17 replaces the old #19 that was eliminated at the February meeting. This rule simply requests that members wear their name tags at all chapter functions. Copies of the revised By-Laws and Standing Rules are now on our SMART Club Webpage under Members Only , Chapter Documents. They are in PDF format so you are welcome to print out a copy if you wish. Please visit our webpage and leave a comment about what you think of it: [www.smartchapters.org/flsun](http://www.smartchapters.org/flsun) By the way, we also finished this meeting in record time —about 35 minutes total!

Our next muster will be June 12-16 at Seasons in the Sun in Mims, FL hosted by Charlie Hunter and George and Gail Parker. Steve and I will not be there as we are headed "North to Alaska" this year. The Southeast Regional will be history, and 2016 will be half over. Many of you will also be heading out to "see the country we defend." Please be careful out there, my friends! You are important!

*Sarah*

## FROM THE WAGON MASTER

Following our upcoming June muster at Seasons in the Sun, our next muster will be in October at Camelot RV Park in Malabar.

The December muster is a return to the Lake City RV Resort. This will allow us to visit the Stephen Foster Folk Culture Center Christmas Festival of Lights. Barbara and I have not visited the park during the Festival of Lights, so we have no firsthand knowledge but you can go to [youtube.com](http://youtube.com) and search for Stephen Foster Park's Christmas Light Festival. This will give you a +9 min sample. There are several videos of the festival.

The February 2017 muster has become a bit problematic as every place I have tried is not accepting rallies during snowbird season. I have seen a lot more RVs on the road this year with the price of fuel taking a drop and this has not helped the availability of muster spots. We should get this solved fairly soon and will have it scheduled by the next muster.

For the April muster I am planning on a spot in the Fort Pierce/ Port St Lucie area that will give us a short ride to The National Navy Seal Museum. The beaches of Fort Pierce are where the US Navy Underwater Demolition Teams (UDT) trained for missions during WWII.

We have hosts for the upcoming muster and for the October muster. We need hosts for the December muster in Lake City.
