From Your National President

SMART members are on the move. HQ personnel are now comfortable in our new location in Molino, FL. There were five Chapter Musters in February. Many members are beginning a new travel season with Chapter Musters and preparing for several Regional musters. There is even a Rolling Muster about to begin in Florida. Some in northern climes are digging out or comfortably sitting by the fireplace recalling last year’s adventures and planning new ones. Either way, our thoughts are focused on Seeing the Country We Defend and meeting new and old friends along the way. Make sure your plans include our National Muster in Urbanna, Virginia. Usually about 20% of members attend National. Let’s set a new record!

Our 2019 Caravans are geared up and ready to go with a few openings still available. SMART caravans are an awesome experience and an incredible bargain. Don’t miss out!

It’s been a great winter for Doug and Lila. Our entire family was able to get together over the holidays, first time in several years. We were blessed with our first great grandchild and enjoyed holidays in Florida and a week with a church group in Jamaica.

Winter time was a good opportunity to resolve a few RV issues with some slide work, new solid valve stems, correcting a few electrical gremlins and a new TV and dashcam. Added a new SMART magnetic sign to the rear of our MH. Magnetic, it can stay on while traveling and moved from place to place. I use it also on my pick-up truck when the RV is in the garage. Using SMART’s discount at Vista Print, the cost was only $21 plus shipping for a 12” x 24”. Just another way to advertise our organization to Veterans.

Now we are ready to begin our 2019 travels. Beginning in the middle of March, we are headed west to attend the SW Regional in Tucson, the SMW Regional in Texas, the Cajun Y’All Come in Louisiana and the SE Regional in Georgia. We’re looking forward to each of them and the opportunity to see and meet as many SMART members as possible.

We still have openings on the Virginia is For (History) Lovers Caravan, August 26-Sept 15, 2019. Join us and sample 400 years of American History, from Shenandoah Valley to Chesapeake bay.

Plan your travels, share your travels, drive safely, spread the word about SMART and have fun!

Message from your 2nd VP:

At the time of this writing, early February, we are covered in snow. In the last two weeks we have had 24 inches. I had to shovel the driveway 3 times in one day just to keep ahead of the snow. Normally we would be somewhere south of here wearing tee shirts, cutoffs, and flip flops. However due to family medical issues we were forced to stay home for the winter. All is not gloom and doom though however. We are currently putting together our travel schedule for the rest of the year to include the Friends of SMART trip to Puerto Penasco, the Southwest Regional in Tucson, several chapter musters, and the National Muster in Virginia. We will also be making other short trips throughout the coming year. I looked on the SMART website and counted 50 musters scheduled around the U.S. to include chapter, regional, and the National Muster in September. Please take a look at the list and see if there is a muster scheduled in your area or in an area you may be travelling. Chapters are always glad to have visitors from other areas. Just be sure to let them know if you plan to join them at their muster. Gwen and I wish you all happy and safe travels for 2019 and we hope to see you somewhere down the road.

Carl Hopper 2nd VP

2nd VP Resumes  (all candidates must have their resumes in by April 30th, 2019 ) also all Northern Region RD’s are up for elections . Please send in your resumes to HQ before April 30th.

RESUME of Willie R Pollard Jr

Position: 2nd Vice President of SMART National

I, Willie R. Pollard Jr., SMART Member #11846, do hereby apply for the position of SMART National 2nd Vice President. If approved by the Election Committee, I agree to accept the nomination and responsibilities as outlined in the SMART SR 06-18 and understand there is no compensation for this position, as stated in SMART ByLaws 6.11 I agree to assist in other areas as needed. I will always uphold the dignity of SMART and all of its membership.

I have been a member of SMART since 2004. I served as Muster Master for Alamo SMART for a period of six years and I’m currently President of Alamo SMARTs Chapter. I was the Master of Ceremonies for the 2018 National Muster held in Mineola, Texas and will be the Muster Master for the National Muster in 2020 in Shawnee, OK. In order to meet members in other chapters I also belonged to the SMART Cajuns, SMART Texans and the Nomads. I am a member of the Star Chapter and a staunch recruiter for SMART and will continue efforts to bring in new members.

I am a life member of the Disabled American Veterans and have served as Alamo Chapter 5 Legislative Officer in San Antonio, Texas. I spent over twenty six years on active duty in the United States Army in command and high level staff positions. For the last four years of my active duty career I was the Inspector General for the state of Indiana. Two weeks after retiring from the military in 1994 I transitioned into education with the Northside Independent School District, San Antonio, Texas where I opened the doors to a class called Skills for Adolescents for the Middle Schools. I retired as a High School Principal in 2012.

I am applying for the position of 2nd Vice President of SMART because I believe in SMART and all it stands for. If elected as 2nd Vice President, just as I believe in SMART, I am going to work hard to make sure members of SMART believe in me.

Willie Pollard #11846
FROM THE CHAPLAIN’S DESK

Most you know that the Peanuts comic strip is my favorite. In this article I would like to look at Charlie Brown’s iconic words, “GOOD GRIEF”. On our journey through life we will all experience degrees of grief.

Life can get heavy sometimes. It can happen for all kinds of reasons – our own poor judgment mistakes, circumstances beyond our control, accidents or a tragedy. Whatever the reason, the fact is that sometimes life just becomes a heavy burden. When life does get heavy, we begin to doubt and to fear, which opens the door to begin down that ever-consuming road of discouragement and even depression. So, how do we fight this? How do we persevere through the pain? How can we transform the heaviest experiences of our lives into a growing experience? I don’t know wish I did. However here are a few thoughts that might help deal with grief or at least lend understanding to what we are feeling.

Grief never ends…But it changes over time. It should be perceived as a journey not a permanent place to stay. Grief happens to all of us and is not a sign of weakness or a lack of faith. Remember that grief is the price of our love.

National Chaplain

The 2019 SMART Alaska Caravan is four months from taking off from Great Falls, MT. The caravan is full and it looks to be a really fun group open to just about anything! You can put yourself on the wait list, as you never know what emergencies might come up.

This will be the third caravan we have led for SMART, our second to Alaska. I can’t begin to tell you how much fun we have had, how many new friends we have made, and the impact the SMART organization has had on us overall. We have had a blast and look forward to more fun adventures on down the road.

I wish I could talk to each of you, face to face, about stepping forward and becoming more involved with your chapter, your region and the National Organization. We need people to volunteer on every level, including people to take on the Wagon Master and Tail Gunner responsibilities. These caravans can’t happen unless someone steps up. If you want to become involved, we suggest that you first take on the Tail Gunner spot, learn from the Wagon Master. We don’t just give you the keys, so to speak, and push you off the cliff, there is a whole group of people who have been there, done that, who are more than willing to help you along the way.

Only those who have been in this position understand how much Melissa and Phyllis, in our SMART National Office do for all of us, but especially for those of us planning and putting together a caravan! They are our rocks, the people we rely on to get the early payments done, they keep our heads above water. They aren’t just doing this for our caravan, but every caravan that goes throughout each year. Some of those caravans overlap, but Melissa and Phyllis always manage to keep them straight. I’m convinced that without them, caravans wouldn’t make it to the first stop. Without them SMART wouldn’t be SMART. Thank you hardly seems adequate, but, from the bottom of my heart, I thank you Melissa and Phyllis!!
The 2019 National Muster is coming and plans for it are underway. Bethpage Resort is a full service campground located near Urbanna, Virginia which is about 50 miles North East of Richmond. Bethpage is located within 50 miles of both historic Williamsburg and Jamestown, VA. Additionally the resort is close to all major military bases from the Air Force at Langley, to the Army at Ft Eustis, and Naval Base Norfolk.

If you want to see the Bethpage area, take a look at the you tube video shown below which shows Bethpage from the air. The support facilities that we will use for our muster include a full service Rally Center that will support up to about 500 personnel for large seminars including food preparation. There is a separate vendor center that you can visit any and all of the vendors supporting the muster. Smaller seminars will likely take place in the café building.

[Video Link: https://www.youtube.com/watch?v=BU7CCKVpuig]

Tours are scheduled for Williamsburg, Jamestown and Yorktown. A water tour from Hampton, VA gets you a close up view of the Naval Base and associated shipping facilities. Of course there are many other sites to include “must see” museums and sites in the Washington DC area. For you Army soldiers note that the new Army museum at Ft Belvoir will be opening the summer of 2019. Tours to Williamsburg, Jamestown, Yorktown and Hampton will be booked first come, first served.

Make your reservations today to get a close in site at Bethpage and History of our Country first hand. You can make your reservation by calling direct to the front desk at Bethpage 804-758-4349 option #2. (other options will get you an offsite reservation booking agency so please use option #2) make sure you tell them you’re with SMART Travel Club Muster.

Join us for an exciting 3-weeks in Southeastern Virginia. “Virginia is For Lovers” and especially History Lovers. In a short three-weeks, we will sample 400 years of American history. From the first English settlement at Jamestown, early colonial times that declared our independence, through the tragedy of the civil war, to modern ships, aircraft and outer space activities, we’ll visit them all and enjoy southern cooking and Chesapeake seafood. [https://www.youtube.com/watch?v=GPf70izBGN0](https://www.youtube.com/watch?v=GPf70izBGN0)

“Virginia is the nation’s third largest producer of marine products ...and is only out paced by Alaska and Louisiana... Hampton Roads was the nineteenth wealthiest seafood port in the nation...Virginia’s watermen harvest 50 commercially valuable species... Among these traditional species in order of economic value, are sea scallops, oysters, blue crabs, clams, flounder, croaker, striped bass, black sea bass, conch and catfish”.

Have you ever tasted Virginia country Ham? Not the ordinary brine cured honey ham available everywhere.

A southern favorite, these hams are dry-cured, meaning they're rubbed with salt and seasonings, smoked, then aged anywhere from 4 months to 3 years. Salty and chewy, the intensely flavored meat is usually served with biscuits or incorporated into casseroles and salads.

A sample of our Itinerary:
We’ll begin the caravan with a bus trip to Appomattox Court House National Historic Park where the Civil War ended, have lunch at historic Babcock House, visit the National D-Day Memorial at Bedford, VA and Thomas Jefferson’s little-known retreat at Poplar Forest. (Con’t)
Beginning in the beautiful Shenandoah Valley and Skyline Drive, visit several historic homes and places and have lunch at Michie Tavern. We may pick apples on the mountainside near Thomas Jefferson’s home at Monticello. We will continue on to Pocahontas State Park and visit historic Richmond and Petersburg, Civil war battlefields and the center of the Confederacy. Tredegar Iron Works a National Historic Monument, manufactured more than 1100 cannons, armor for iron clad warships and even a submarine. We’ll learn about the tragedy of the civil war at the American Civil War Museum at Historic Tredegar and visit selected Civil War battlefields. More than 660,000 civil war soldiers died in this tragic war, more Americans than WWI and WWII combined. Our tours will have local historians that have studied these events and teach and lecture about them.

Our third RV park will be Cheatham Annex Naval Station at Yorktown. From there we will visit James River Plantations, and Colonial life at Jamestown, Williamsburg and Yorktown. Frommers Travel Publications list Virginia as one of the Top places to be in 2019. Seven of the first 28 US Presidents came from Virginia.

Finally, we will experience the thriving Aerospace and military activities in Virginia. View the recovered Turret of the USS Monitor from the first battle of the ironclads. Walk the decks of the battleship USS Wisconsin BB-64, make a pier side visit to a nuclear submarine and nuclear aircraft carrier. See where these ships are built. Visiting the Virginia Institute of Marine Sciences, we will learn about the ecology and seafood industry of the Chesapeake Bay. We are only covering a small corner of the Dominion of Virginia but its packed full of history, adventure, great food and beautiful fall weather. When the caravan ends we will be a one hour drive from Bethpage Campground site of the 2019 SMART National Muster

Looking for something to do after the National Muster in Urbanna, VA? Join us for the Fall Colors Caravan which has been a popular event in past years and will again be an enjoyable opportunity to see the New England area in its entire colorful splendor.

Meet us on September 30th at our starting point in Florida, New York where we will have our welcome dinner, take a whirlwind all day bus tour of New York City, and tour the West Point Military Academy. Next we will visit Norman Rockwell country in Arlington, VT and perhaps meet one of his models as well. There are also many famous covered bridges to see in this area as well as historic homes, cheese factories, and waterfalls. At our next stop we will spend time at Fort Ticonderoga learning the history of the area. You can also go apple picking, wander through a corn maze, or ride the Ticonderoga Ferry. In Shelburne, VT we will enjoy the famous Shelburne Museum and have a happy time at the Teddy Bear Factory as well. A vineyard and brewery are also nearby as is Ethan Allen’s homestead. Moving on to Stowe, VT we will visit the Rock of Ages Granite Quarry and of course we must tour Ben & Jerry’s Ice cream. There is also a working glassblowing studio, a sugar farm and a gondola ride to the top of Mt. Mansfield for those who care to go there. Our next stop is in Littleton, NH where we will take the exciting cog railway to the top of Mt Washington. In Littleton, you can also see Robert Frost’s house and covered bridges, and you can lunch at Miller’s Café which has been voted to have one of the 50 best sandwiches in the USA. Bar Harbor, Maine is next on our agenda where we will tour the town and take a narrated bus tour of nearby Acadia National Park. Surely while we are in Maine we will also sample some Maine lobsters! Then it is on to Freeport, Maine for shopping at the fabulous flagship store of L.L. Bean. Those not interested in shopping can visit one of the many historic buildings in Freeport which is called the birthplace of Maine or see one of the most unique tourist attractions in the state, the Desert of Maine. A great train tour for leaf peeping or a boat cruise on Lake Winnipesaukee will be scheduled for our stop in Lanconia, NH. Our last stop will be in Mystic, CT where we will spend a day at the Mystic Seaport Museum and visit the Groton Submarine Force Museum as well. Our farewell dinner will be held in Mystic. We only have space for 15 rigs due to limited campground facilities at that time of the year. See SMART website for more details and registration forms. First come-first served. SEND $280 WITH APPLICATION on page 10. Payment schedule will be included with your Acknowledgement Letter. (Get on the standby list)

The Chattahoochee Drifters held their February muster at Lake City RV Resort in Lake City, Florida. Our host; John, Barbara, Joe and Ida organized a wonderful itinerary consisting of an evening cookout on day one followed by morning breakfast each morning. There were evening meals prepared, men and ladies luncheon and a group dining out. The men sat around the campfire while the ladies played cornhole (they were too good for the men to challenge). On Friday afternoon we all went to the Lake City Veterans Hospital with boxes of toiletries items for the hospitalized Veterans. While there we presented a check for $200.00 to help maintain the Voluntary Service Division and were briefed by Assistant Chief Michael S. Carey about the operations and procedures of that Department. On Sunday morning after coffee we all said our goodbyes and anxiously await our April muster in Perry, Georgia.

David Weis
President
As last reported, the Buccaneers held their New Year’s Eve muster at Sun N Fun RV Resort in lovely Sarasota FL. We had a wonderful time, as usual, and enjoyed our evening card games (hand and foot and a poker table) and card bingo. We had plenty of good food – two buffets at the Sun N Fun restaurant, a great potluck dinner, and one at the Der Dutchman Amish family restaurant. Several of the ladies brought their sewing machines and worked a couple of days ‘Running with Scissors’ to make lap robes for our injured veterans. We will be bringing them to National. The highlight of the muster was the Murder in Margaritaland mystery dinner theater/play for our members. We had very early assignment of parts, so most everyone came in costume befitting their role. Clues and fake money were dispensed throughout the evening as the members asked questions and did their own sleuthing and snooping to identify potential victims and culprits. After the second clue was passed out (each individually prepared), our victim was identified. It turned out to be the bartender, ‘Jack Daniels’ (none other than past National President John Steinbauer) who was poisoned and expired right on the dining room floor. Everyone gathered around to collect information, clues, and try and steal his cash (which we later found out he had been stealing from the dinner tables of the various guests). The stylish vamp ‘Candy Cotton’, played admirably by Miriam Metz, taught us the new method of CPR (straddling the victim). Our waitress, ‘Kim Cartrashian’ gave him a goodbye kiss and succeeded in stealing his stash. After additional clues and examining the evidence found, we learned that Lifesavin’ Sam (Al Cooper) was the killer and was arrested. Prizes were awarded to ‘Thurston Howard III’ (Joe Hug) for Best Costume, Miriam Metz for Most Dramatic, and our waitress Jesslynn for Extorted the Most Money. A great time and we look forward to staging another murder mystery with a new scenario.

Meanwhile, we are preparing for our next muster at Cedar Key FL (1 – 5 April) and would like to invite any and all to join us. Contact the muster hosts, John and Kathy Steinbauer or the Buccaneer website for more information.
South Florida Gold Coasters

Our Valentine's Muster held at John Prince County Campground in Lake Worth, Florida was a lot of fun. We welcomed Joe Hug, Janice Leshinski, Kathy and Chris Michelsen, and Lois Lewis-Gill to their first Gold Coasters Muster. Our chapter continues to grow with new members Mary & Gabe Gabriel, Kathy & Bill Lemon, Ginny & Tom Louis, Donna & Jim Springer, and Barbara & Daryl Williams. We played card games, bean bag baseball, visited the Morikami Japanese gardens and ate in and out. We also played Newly Wed Game and shared dating and early marriage photos. Everyone is always welcome to attend our musters to check us out. For more info on our chapter go to our SMART page or chapter Facebook Group to view more muster photos by clicking on the above logos. For more info about our chapter contact our President, Larry Chayt at coachman33436@yahoo.com or Muster Master, Kathy Steinbauer at kathy.steinbauer@gmail.com
The Cajuns just completed their four-day Valentine Muster. The highlight for the ladies was on Valentine Day when the men performed all the cooking and cleanup chores, while the ladies enjoyed their special day. The highlight for the men was the range time where we improved or maintained our shooting skills.

Our next muster is the Cajun’s signature muster, the “Y’All Come”, which is scheduled to begin the Thursday following Easter Sunday and will end Sunday April 28.

A Rolling Muster will start the next day. This muster is scheduled to end May 15 after visiting a few historical areas along the Mississippi River. We Depart the Y’all Come and head to Marksville, Louisiana and a day of golf, then we proceed to St. Francisville, Louisiana and a night visit to the most haunted house in the country. Then we head to Natchez, Mississippi to visit a few historical homes and some very good eating places.

From Natchez we travel North to Port Gibson, Mississippi where we will tour Alcorn State University and maybe tour the Grand Gulf Nuclear Power Plant. Then it’s on to Vicksburg for a few days touring the area. From there we head to the last stop in Poverty Point, Louisiana for another round of golf. We’re planning a muster on the Mississippi Gulf Coast in early September followed by a few Cajuns caravanning to the National Muster in Virginia. Our final muster for 2019 will be another Veterans Week Muster in Branson.

Mississippi Magnolias

A group of Mississippi Magnolias’ chapter members met January 22, 2019 at the Biloxi Fisher House located on Keesler AFB to present their chapter donation of $200 that was collected at chapter musters for 2018. Chapter President Charley LeBlanc along with chapter members, Dianne LeBlanc, Elaine and Bob Comeaux, Denny and Ann Olvany, and John and Gloria Cross presented the check to Fisher House Manager Larry Verret. This was the second donation in two years the MS Magnolias chapter has made to the Biloxi Fisher House. The Fisher House provides room and board to family members when their military person is receiving medical care at the base hospital or at the Gulf Coast VA Medical Center in Biloxi.

After the presentation the MS Magnolias were given a tour of the new Fisher House that was built last year. Then they went to a wonderful luncheon buffet together in Biloxi before getting back on the roads to return home before the next rain storms swept across the Gulf Coast.

HELLO! Are you wintering in or near Tucson, Arizona, or perhaps, just passing through?

The Arizona Roadrunner and the Arizona Tumbleweed chapters of SMART invite you to join their fun at the 2019 Southwest Region Muster which is being held April 2 – 6th (four nights) at Rincon Country West RV Resort in Tucson.

There are planned activities: a tour of the Pima Air and Space Museum and an outing to the Gaslight Theatre which is featuring “Back to the Past”, a musical comedy. Additionally, there are informative seminars, plenty of food (two breakfasts, one luncheon and three dinners), door prizes, 50/50 drawings, music, entertainment, and time on your own to tour the area. If you are musically inclined, please join the JAM SESSION on Friday morning (bring your musical instrument). Lots of camaraderie with your fellow veterans!

For more information, check the SMART Website or contact the 2019 SWR Muster Master, Sally Kavanaugh, at 623-910-1276 or e-mail: LadySallyK@msn.com

SO CAL CHAPTER

S.M.A.R.T. SoCal starts 2019 out with its first quarter off with a “No Host” muster February 24-28 at the Pala Casino RV Park. Participants cook their own food for most meals and bring them to a central location to eat and socialize together. This is a new concept for us so we will see how well it works.

In April we will hold our muster during the Southwest Regional Muster and in the fall we will gather at Dos Picos County Park with an exact date yet to be determined.

Finally, we will end the year with a joint muster/Holiday party with the Warriors in Oceanside.
SOUTH MIDWEST REGION

As Regional Director for the SMW region, it has been my pleasure to work and play with the fine presidents of our three chapters. Our region is growing thanks to their hard efforts to help their individual chapters increase in numbers. My office requires me to travel extensively which works out fine, Meg and I are full-timers and have been for over 21 years.

We were at the OK Smarts Muster in Guthrie, OK in August of last year, and really enjoyed the sights and the fellowship. We learned a lot of history about the Oklahoma land rush. At Christmas we attended the Alamo Christmas muster in San Antonio. The Alamo Chapter held its annual Super Bowl Muster at Bandera, TX. This was well-attended and John Shore, the OK president, along with his wife Debi, was able to be there.

The OK and Texas chapters are holding a joint muster in Corsicana, TX at the American RV Park, 4345 State Hwy 31 W, Corsicana, TX 75110, USA Feb 28-March 3rd; all are welcome. The SMW Regional Muster will be April 11-14 at the Oakdale RV Park 1019 NE Barnard St, Glen Rose, TX 76043. We would welcome any and all to join us at either of these musters. The registration forms are available on the SMART website. Do NOTE: you will need to make your own reservations at the parks.

The National Muster was held in our region in Mineola, TX in September and was very successful. The SMW Region, jointly with the NMW Region, was given the task of preparing the National Muster 2020. We are taking every opportunity when together to meet and plan for this event. In January I spent 4 days in Big Bend National Park with Ernie Owen specifically to discuss various options for this.

Our SMW Region is very active and very welcoming! The chapter activities are where the real fun of SMART takes place. If you have not yet joined a chapter, let me encourage you to visit one or all of the SMW chapters: the Alamo, Texan and Oklahoma SMARTS would love to meet you!

ALAMO CHAPTER

The new year began with our much-anticipated annual Super Bowl Muster, held in Bandera, TX, the “Cowboy Capital of the World”. This is a town where you will likely see a cowboys’ horse hitched to the post next to another cowboys’ pick-up truck at the general store. Our activities included a grill-your-own steak night at the local saloon, country western dancing, human/horse races, grazing day (all day super bowl snacks) table games, and the Big Sunday Game. (Con’t)
Our new officers for 2019 were installed at this muster, as well. We also honored Steve and Linda Spear, outgoing board members, for their 12 years of incredible service as Secretary and Treasurer of the Alamo’s.

Next up is a joint muster with our friends to the north, SMART Texans and the OK’s. We’ll be in the Corsicana and Waco area. Then our SMW Regional Muster in April, to be held in Glen Rose, TX. The Alamo’s really enjoy having visitors from other chapters at our musters, and given that South Texas has such great weather year-round, our musters are not just seasonal. We invite you to take a look at our schedule and plan to join us anytime. Our Autumn annual Fish Fry Muster held in the quaint town of Fredericksburg, TX in the Hill Country, is one of our most popular Musters of the year. Contact Muster-Master Richard Palmer @ RichPaL1@swbell.net or (210) 218-6838 if you would like to enjoy some warm weather, great food, fun, and camaraderie with us.

Everyone be safe on your travels and we’ll see you at National.

OKLAHOMA SMART CHAPTER
The Oklahoma SMART Chapter kicked off its 2019 year with its annual muster at Jake’s Rib in Chickasha OK on 15 January 2019. In attendance was TJ and Sandy Russell, Gerald Lacy, Peggy and Randy Wilson, Don and Etta Daniel, Tom and Billy Winchester and John and Debi Shore. We welcomed Bob and Kay Hordesty from Blanchard, Oklahoma, friends of Don and Etta. Recently retired, they have submitted their membership application and are looking forward to spending time on the road traveling with their new SMART family. We also want to welcome Tom and Kathy Siler from Willow Park, TX. We look forward to having them join us at our musters in Corsicana or Glen Rose TX, schedule permitting. The meeting provided a great opportunity for members to visit and catch up on 2018 travel activities and start planning for the new 2019 year which will culminate with the National Muster scheduled for 23-28 September 2019 in Urbanna, VA. Following the Chickasha Muster, Debi and I attended the Alamo Chapter Superbowl Muster in Bandera TX. In addition to a great opportunity to enjoy the super bowl, we had a good time visiting and playing games with our Alamo and Texan SMART Chapter members. Our SMW Regional Director and wife Meg were in attendance. As coordinator for the 2020 National Muster, Roger and the Chapter Officers spent some time discussing plans for the muster. Following the Bandera Muster, Debi and I drove on down to Weslaco, TX to spend a few days with two couples from our Oklahoma SMART Chapter, Roger and Kaye Meyer and Don and Etta Daniel. They escaped the unusually cold weather in Oklahoma to spend a few weeks enjoying the warmer climate in South Texas. Kaye recently had a pacemaker implanted and is now back to her normal energizer bunny level of activity. It was fantastic to see her doing so well! The Oklahoma SMART Chapter will join the Alamo and Texas SMART Chapters for a joint muster 28 Feb thru 3 Mar 2019 in Corsicana TX followed by a SMW Regional Muster 11 thru 15 April in Glen Rose TX. We always look forward to sharing time with our SMW Region Chapters as often as we can throughout the year. Anyone traveling thru the area are always welcome to join us at one of our musters.
