Of the things I enjoy, planning is near the top.

I like planning our travels, family events, and our adventures. But all plans must be flexible; they change, get cancelled, and must adapt to things beyond our control. My stroke in the second week of June torpedoed many of my plans this year including the cancellation of my Virginia SMART caravan.

We take life and so many things for granted, I’m looking forward to National, Veterans week in Branson with the Cajuns, family Christmas in Florida, and Mission trip to Jamaica in February. All of these events require significant improvement in my body. I’m confident I will regain 100 percent eventually but now I can’t walk or drive or even get in and out of bed by myself. With only one functioning hand, even my iPhone is a challenge. In the meantime, I’m learning about Neuro Plasticity and how with lots of therapy and God’s help my body will recover from the stroke damage. Get busy you lazy neurons! I’m ready to continue.

Thank you all for the many cards, letters and prayers. I Loved every one and they are speeding my recovery.

The patriotic prayer shawl came from St. John Lutheran (Russell, Kansas) and sent to me by fellow SMART member, Sherwin Stielow. My shipmate and long time friend Richard Moore drove our coach home. SKYMED paid all the expenses.

Keep your plans flexible.

I hope your plans include National, the highlight of SMART’s year. I expect to be in a wheel chair, but you should be able to catch me.

Lila and I are surrounded by family and doing well.

Doug Blaha, SMART National President

**Flag Retirement Ceremony.**

We will conduct a ceremony on Tuesday, September 24 at 1900 at the Amphitheater to retire unserviceable flags. Feel free to bring your flags to the ceremony. Once the initial flag is burned you are welcome to step up and bring your flags and lay them on the fire.
You keep hearing about recruiting, we need more new members, etc … it’s the same story in every RV group I am a member of. But frankly, that’s life. The normal life cycle of any organization is that some people are leaving, and new people are joining. Our continuing challenge is to spread the good news of SMART to other veterans.

I don’t know how many RV groups you are a member of, but Jean & I are members of four that I can recall just off the top of my head. Each one offers different things to us, but we are really active in only two of the four … we are active at the chapter level only in SMART and in our manufacturer owner’s club. And frankly, we are active in these two clubs primarily because someone promptly responded to our email when we asked for information. The other two clubs have not been all that responsive to us on the local level, but we have remained members for the time being for other reasons than personal relationships.

When someone finds us online and sends an email or text asking about local chapter activities, it is important that we respond promptly with information on our next muster and how they can get involved. For Jean & I, that was NE Regional Director Donna Walthal, telling us about the CATS Chapter. Two weeks after our email, we attended our first CATS muster. We emailed two other groups at the same time … one responded a month or so later, and the other never responded … and the rest is history.

The best recruiting opportunity is personal contact. One place that happens quite naturally is in RV Parks. You are having a muster somewhere, you meet other RVers and find out they are veterans, and you invite them over for a visit or even to attend some of your muster activities. Easy peasy. As one member recently related, “We met these folks at a muster we were having. We fed them, let them play cards and they wouldn’t go away. So we voted them in.” Show folks how great SMART is and they will join us!

And if you really want to recruit, you create your own opportunities to seek out veterans like our #1 recruiter Al Haynes, who sets up a table at the Base Exchange and just about anywhere else he can. Al finds people who look like vets and tells them about SMART. He always has a few member applications with him, and he seals the deal more often than not! Al has perfected his own system, and at last count, he has recruited 92 new members to SMART. Way to go Al!! How about you? … do you have a SMART application in your pocket right now? Do you notice other vets where you go? You never know when you might meet the next new member of SMART!

Keep sharing the good news about SMART wherever you go! And stay tuned at the National Muster for info on a new recruiting campaign developed through the combined efforts of Advertising & Publicity Coordinator Alan Carter and Recruiting and Retention Coordinator Richard Palmer.

And don’t miss the chance at the National Muster to recruit new members to your chapter at the Chapter Fair … bring your chapter flag/banner/enthusiastic members, etc and set up your display on a table in the GRC (the main meeting room) at 5pm on Tuesday the 24th to share info on your chapter with interested SMART members.

On the road again!!! I hope to see you at the National Muster in Virginia!!

Paul Rider

ATTENTION ALL MEMBERS HEADED TO 2019 NATIONAL IN VA…..As you travel to get to the 2019 SMART National Muster this year, would you pick up some small token that best defines you, your chapter, your home state, or your trip for inclusion in the Grand Prize Basket?? (NO perishable food items ) This is purely voluntary, but I feel it would best represent what we, especially SMART, is all about. The Grand Prize winner will have a pretty good cross-section of the US and SMART. Thank you in advance. Gene -O NERD Co-Chair 2019 SMART National Muster
Last month in the E-news I talked about defensive driving. Travelling across this great country I have noticed that drivers are becoming more and more impatient and aggressive. This is compounded by construction on many highways and lots of truck traffic. The other condition being experienced more often is rough roads. Now if you are like me you tend to slow down on rough roads to hopefully keep all your dishes in the cabinets and off the floor. Even when you are travelling at the posted speed limit you notice most cars and even most trucks are passing you like you’re standing still. All of this is what creates impatient and aggressive drivers. Road rage is on the rise. Don’t be that guy. It’s so much better to get to your next destination safe rather than being all stressed out due to aggressive driving or worse getting into an accident. Travelling in an RV “Seeing the Country We Defend” can be extremely enjoyable. Slow down and enjoy the ride.

Our 2019 National Muster is right around the corner. Hopefully your travel plans include a stop at the Bethpage Resort in Urbanna, VA to reunite with old friends and make new ones. The muster staff has done an outstanding job in putting together an agenda that everyone should enjoy. Visit the SMART website to see the schedule of events.

I would like to call your attention to one training session in particular. We are conducting two 1½ hour classes on planning and executing a caravan. We have several folks that have been successful caravan Wagon Masters and Assistant Wagon Masters but we need even more qualified people to help keep this great program alive. If you have an interest in being a Wagon Master or just want to find out more about running a caravan, plan on attending these training sessions.

Safe travels and we look forward to seeing you all in Urbanna.

RESUME of Willie R Pollard Jr

Position: 2nd Vice President of SMART National

I, Willie R. Pollard Jr., SMART Member #11846, do hereby apply for the position of SMART National 2nd Vice President. If approved by the Election Committee, I agree to accept the nomination and responsibilities as outlined in the SMART SR 06-18 and understand there is no compensation for this position, as stated in SMART ByLaws 6.11 I agree to assist in other areas as needed. I will always uphold the dignity of SMART and all of its membership.

I have been a member of SMART since 2004. I served as Muster Master for Alamo SMART for a period of six years and I’m currently President of Alamo SMARTs Chapter. I was the Master of Ceremonies for the 2018 National Muster held in Mineola, Texas and will be the Muster Master for the National Muster in 2020 in Shawnee, OK. In order to meet members in other chapters I also belonged to the SMART Cajuns, SMART Texans and the Nomads. I am a member of the Star Chapter and a staunch recruiter for SMART and will continue efforts to bring in new members.

I am a life member of the Disabled American Veterans and have served as Alamo Chapter 5 Legislative Officer in San Antonio, Texas. I spent over twenty six years on active duty in the United States Army in command and high level staff positions. For the last four years of my active duty career I was the Inspector General for the state of Indiana. Two weeks after retiring from the military in 1994 I transitioned into education with the Northside Independent School District, San Antonio, Texas where I opened the doors to a class called Skills for Adolescents for the Middle Schools. I retired as a High School Principal in 2012.

I am applying for the position of 2nd Vice President of SMART because I believe in SMART and all it stands for. If elected as 2nd Vice President, just as I believe in SMART, I am going to work hard to make sure members of SMART believe in me.

Willie Pollard #11846

Gene Bennett has withdrawn his resume from running for 2nd VP. There will be no voting this year.
Hello one and all...
NATIONAL NEEDS YOUR HELP!

All 7 meals will be prepared. All we need is servers and help cleaning up. This will save us a lot of money. In the past we have had much help: Past Presidents, Regional Directors, Chapter Presidents, Drifters just to name a few. I will have several signup sheets at Registration feel free to sign up.

All assistance will be greatly appreciated!

South East Regional Director
Jackie Weis #12337

THANK YOU ALL IN ADVANCE !!

Two unique craft classes will be available at the 2019 National SMART Muster. Sign up for these classes will be during registration where specific information on the date and time of each class as well as the specific cost will be available. The first craft class will be provided by Two Swallow Boutique & Reclaimed Pallet Works, a family run local business that takes reclaimed wood pallets and shows you how to create beautiful indoor and outdoor signs. Various optional designs will be available for SMART members to choose from to create a personal sign to commemorate the 2019 National Muster. For more information visit them on Face Book at Two Swallows Boutique & Reclaimed Pallet Works. Cost $$

The second craft class is provided by River House Creations, also a local business that does beautiful stained glass art work. This craft class will provide pre-cut stained glass pieces which the instructor will help the SMART members to form into a framed American Flag. More information can be found on Face Book at River House Create choose to stencil. Cost $$

Another unique craft class at national will be:

Pyrography Craft
Sherwin Stielow will offer this interesting seminar about the art of decorating wood or other material with burn marks resulting from the controlled application of a heated object such as a poker. Free Class
Wagonmaster and Tailgunner Training

by Jon Katin, National Travel Coordinator

Caravans are a significant draw for recruiting, in addition to providing revenue for SMART. They do, however, require a tremendous amount of time and effort to plan and execute, but do provide a tremendous amount of personal satisfaction for both participants and the leaders. SMART headquarters maintains a historical file on all caravans allowing new leaders to use them as either a guide to copy or to expand. Files also have participant critique sheets to reveal what went well and was enjoyed or which events just were unnecessary or too long. The National Travel coordinator and his assistant will be providing 2 each 1.5 hour training sessions on planning & execution as well as budget and record keeping requirements at the National Muster in Urbana, Virginia. SMART's SOP #02, the National Travel Guide, is a very detailed document that also provides guidance on the running of a caravan. New Wagonmasters and Tailgunners are urgently needed to continue running this great program. We encourage members to join us in these training sessions to show that you can run a caravan and to help SMART continue this great activity.

Have you Heard---there’s a National RV Muster in Urbanna, VA at a place called Bethpage. Some thoughts if you arrive early or are staying a little longer you may want to participate in some of the 50 things to do in and around Urbanna (Williamsburg area). When you check in at Beth Page you will receive a packet of the 50 things to do in the area. Many have to do with the historical presence of Williamsburg, Jamestown, Yorktown and the southern city of Richmond. One of the special spots is Tangier Island which is an island in the middle of the Chesapeake Bay that most of the 200 inhabitants of the island are watermen that make their living catching Blue Crabs---what’s even more unique is that they speak in old English. After a one hour or so ferry ride, you will think you've traveled out of the country upon arrival at Tangier Island. If you’re interested take a look via Google to see where to catch the boat—usually, Reedville, VA. Urbanna is a fairly small town but there are 3-4 good eateries there. In town, itself there is “Something Different” that has as its calling card Ribs and some New Orleans treats (Cajuns may be interested). Also the “Half Shell” has a pretty good selection of sea food to include fried Chesapeake oysters and other selections—just had a dozen there a couple of weeks ago. There is a popular Mexican restaurant about a mile from the entrance of Beth Page. On Beth Page itself, the café will be open Friday-Sunday with breakfasts and lunch type menu. Beth Page on weekends also has miniature golf available at the Creamery which serves many different flavors of ice cream while your putting score is running up.

Again, there are some very interesting sites to see, so please take advantage of your visit by getting out beyond the campground itself. We hope you enjoy your visit and you have safe travels coming and going. If you have not looked at the events schedule, on the website under “muster” you may want to do so. We are also registering arrivals at Beth Page National Muster on Saturday, Sunday and Monday so stop by and let us know you’ve arrived. Most all of the tours, registration, etc have been prepaid, however, if you have not done so or you’ve added tours/joined the men’s/ladies luncheon, etc. please bring a checkbook or cash to close out your account as we cannot take credit cards. The campground itself (Beth Page) can take both credit or debit cards and the campground is a separate accounting function for site fees.

See you all soon!
REMINDER

When packing for your trip to the 2019 SMART National in Urbanna, Virginia, don't forget to pack non-perishable food items for our food drive, as well as any school supplies for a local school. Also lap robes and skull caps for our veterans and service members.

We have chosen Hands Across Middlesex for our food drive and Middlesex Elementary for school supplies. We will also contact the nearest VA Hospital to distribute lap robes and skull caps.

I look forward to seeing old friends and making new ones.

If you have not registered to attend the 2019 National there is still time. Don't miss all the fun and camaraderie.

2020 CANADIAN MARITIME PROVINCES CARAVAN

21 June to 19 August 2020

Wagon Masters: Carl and Gwen Hopper, chopper500@aol.com, 775-882-4044 (Home), 775-232-3958 (Carl’s Cell), 775-287-0768 (Gwen’s Cell).

Assistant Wagon Masters: Jon and Nancy Katin, jonandnancy2@comcast.net, 541-967-9131 (Home), 541-220-9476 (Jon’s Cell).

Cost: TBD (the estimated cost will be around $6000)

Deposits and Payments: $280 upon application; 50% by six months prior to start; Full payment three months prior to start. Number of Days: 60 days Caravan Limit: 20 RVs plus the Wagon Master and Assistant Wagon Master.

This caravan covers approximately 3000 miles through the beautiful Canadian Maritime Provinces. We begin and end our journey at the Pumpkin Patch RV Park in Hermon, ME and travel through New Brunswick, Nova Scotia, Newfoundland, and Prince Edward Island. If you like seafood, this is the trip for you. We will be eating lobster, lobster, and more lobster. Even if you don’t like seafood this is a great trip and there are lots of other things to eat besides seafood.

You will see some amazing things while traveling through the Maritimes such as 50 foot tides, reversing falls, historic cities and sites, ice burgs, and many animals to include moose. We even had a moose come into our campsite in 2014. We will also be taking several bus tours, attending numerous events and shows, all guaranteed to entertain.

We will be traveling on at least 2 ferries during our adventure (one overnight and one short day trip). The cost of the caravan will not include the ferries which are based on the size of your rig. You can go to the website www.marine-atlantic.ca to get an idea of the ferry costs. When considering this trip the cost of the ferries may appear high, but by taking the overnight ferry we save the cost of 2 to 3 nights camping, meals, fuel and wear and tear on your vehicles.

We hope you consider taking this trip. We are planning a fun filled adventure with lots of activities. The Maritime Province is beautiful and the people are super. If you are considering this trip, register early. Don’t hesitate to call one of us if you have any questions. **Carl, Gwen, Jon and Nancy.**

Do you use Social Media programs such as Linkedin, Twitter, YouTube, or Instagram?

Research has shown organizations with an aggressive social media program reach a broader spectrum of potential members and also provide a good way to keep current members informed and involved. While we have an outstanding SMART website and a Facebook Group, there are additional ways to use Social Media to our advantage. Many progressive organizations use them and we are looking for ways to implement them. I’ve recently been appointed by SMART President Doug Blaha to serve as the Coordinator of the SMART Social Media Committee. I will need members who also believe this may be a good way to go and have expertise in one or more of the social media platforms or are willing to learn. Please contact me at jfs9840@gmail.com if you are interested.

PP John Steinbauer
Tri-State Rebels, SE Muster Valley River RV Resort, North Carolina

What a great muster. Our July muster was held in Marble North Carolina at the Valley River RV Resort. It is a fairly new campground and our first time there as a group. There were some nice amenities such as cement pads, a saltwater pool, a very large nicely-appointed rally room with full kitchen, although not private. Exploring a new area is always an exciting part of camping. Each Campground has different things to see and do, depending on the area and geographical features. There was also a spring fed catch and release lake, which was formerly a rock quarry with a depth of over 200 feet.

We had the privilege of welcoming our newest members Lee and Cindy Ramsey giving us a total of ten rigs as well as Larry Sockwell, former SMART president.

Although there were many things to see and do in the area and various group activities and games not to mention the nearby casino, our members had the best time simply socializing and getting to know one another on a more personal basis.

Well, they say all good things must come to an end and so it did. After nearly a week of great food and camaraderie, we said goodbyes and thanked everyone, again, for their enthusiasm, hospitality, and professionalism.

I want to take this time to thank all the attending members that even though we did not have an official host, we realized that we don’t have to have a host to muster. And one of the greatest things about camping is just being in the place where you can enjoy nature and the great outdoors. We all came together and made the muster a fun, enjoyable and memorable experience.

And a special thanks to all for helping with the cooking, cleaning, setting up and taking down of tables, and especially the courtesy, respect, and generosity shown one to another. Even management was impressed. Well, let’s say it as it is, “Our members always do their best to leave a place better than they found it”.

Our next muster will be held at the Cool Breeze Campground in Galax, Virginia, September 16-20. If you are planning to attend, please contact or email the hosts Robyn Hamlington and Cork Phillips at (931) 210-7011 or romham@aol.com and copy the co-hosts Bob and Carol Crossett at ra-crossett@gmail.com.

For more information and details about the upcoming muster at the Cool Breeze Campground or the National Muster, September 23, 2019, in Urbanna, VA go to https://www.smartrving.org/

Hope to see you there. Safe travels . . .

**Buccaneer's...** This has been one wet summer here in central Florida, and not over yet. Everything damp but our spirits! Our next muster is the National Muster in Urbanna, VA. Hope you have your plans made, should be a great one. We look forward to seeing old (long-time) friends there.

Our Veterans Day Muster is November 8-12, which is located in Bushnell at Paradise Oaks RV Resort. As always, we plan to join with the Florida National Cemetery staff with their remembrance ceremonies on Veterans’ Day. We will have something new at this muster. It’s called “Know Your RV”, a question and answer session to learn more about any RV problems you may or encounter that can save you some headaches/time and money. This will be an ongoing muster session, we hope to have each year. I believe having something of this nature, will help keep our members more interested in our musters, and develop better camaraderie. If any member has an issue with their RV, let us hear it, we are here for you. We may not have the complete answers for each issue, we can direct you in the right direction. We are members helping members. We hope you can join us there.

Keeping with the Veterans Day Muster, we will have a round of golf on November 12 for those that want to play at Sherman Hills. You will have to stay an extra day to join us on the links. Our normal Webster Flea Market Day (only open on Monday), will be disrupted this year since November 11th is on Monday.

I guess many of you are aware that we lost two of our members, John Gill and Al Cooper. They were great friends and enthusiastic members of SMART and we will miss them greatly. Our hearts go out to their families. Let’s keep them and all of our members in our prayers. Hope to see you at National and the Bushnell muster.

**MS Magnolias Have A Busy Camping Season Agenda**

Although the Mississippi Magnolias have not had a muster since our March muster in Vicksburg, we have been busy setting up next season’s musters. We have a full slate of activities scheduled. After the SMART National, our next muster is October 23 – 26 in Magnolia Springs, AL, which is just west of Foley, AL, arriving on the 22nd and departing on October 27. This area is always a great place to visit especially this time because the 2019 German Sausage Festival will be that week in Elberta, AL, just east of Foley. We will have a Halloween costume party and activities during that muster. When we leave on the 27th, Old Friends come in for their camp out. If you attend the Old Friends campouts, this will be a great opportunity for you to stay in the same campground for that event.

Our FREE Christmas muster (for chapter members) is scheduled for December 1 – 4 leaving on the 5th. It will be at Sun Roamers RV Resort in Picayune, MS arriving on November 30. This is a very nice venue for this muster and as usual, we will have plenty of great food and our annual dirty Santa Christmas Present Exchange one night. The MS Magnolias will be celebrating their 14th year as a chartered SMART Chapter during the Christmas muster and we are also planning a private tour of Stennis Space Center for this muster. This should be an exciting muster with plenty of activities and of course, great food.

We are also in the planning process for a St. Patrick’s Day muster at Lakeside RV Resort in Livingston, LA. The muster dates are March 16 – 19. We have not been there in quite some time. More information on this muster will be coming out shortly.

The 2020 Southern Coast Rolling Muster dates have been moved to May 6 – 23. We will arrive in
Greetings from Arizona Tumbleweeds!

We had a fabulous Winter season that concluded with the Southwest Regional Muster, co-hosted with the Arizona Roadrunners, in Tucson at Rincon Country West RV resort.

Our first muster of the season took place at the site of the then future Southwest Regional Muster where we tested several venues for workability during the muster, while having our usual fun at happy hours and potluck dinners.

In December we had our Christmas luncheon at Olive Garden, gathered children's clothing donations for the Luke Air Force base airman's attic, and had fun with the gift exchange game.

January found us meeting at Quartzsite for our annual dry camping muster where we enjoyed a chili dump one night, baked potato potluck another night, and campfires every night!

Our February/March muster at Tonapah, Arizona set the final plans for the Southwest regional muster. As usual, this was a combined muster with the Roadrunners who had their election of officers for the next year. We enjoyed one dinner out at the Tin Top Bar & Grill.

The Southwest Regional Muster was a success, in this president's opinion, in spite of the usual last minute changes. Our National President Doug Blaha and his wife Lila were in attendance. A bus trip to the Pima Air & Space Museum allowed aircraft lovers to spend a few hours looking at planes of all eras from multiple nations.

The trip to the Gaslight Theater was very popular, providing food and entertainment, a fun night out. One of the highlights of the muster was the performance of the local high school Mariachi Band who got some fun audience participation.

We are looking forward to the 2019/2020 season. Anyone in the area is invited to attend our musters! The more the merrier!

Pat Sappa

ALAMO CHAPTER
SMW Region is ready for the summer heat wave to transition into Fall, so we can get traveling again! The Alamo’s generally do not hold musters in the summer months, but several of us still have social get-togethers and stay in touch on our Alamo area Facebook page, sharing photos of summer travel, usually to the cooler Northern states.

Our popular Fish Fry Muster, held in the beautiful Hill Country town of Fredericksburg, Tx is coming up in October. The registration is already posted online, so if you are even thinking of attending, register today, as this well-attended Muster always fills up early.

Online Muster registration is proving to be a more effective method for our members. It also simplifies the records for the muster master and the hosts, by generating an attendee list which can easily be edited and updated.

The SMW and NMW Region representatives have been busy working on details for next years’ 2020 National Muster in Shawnee, OK. The National chairman is Roger Bruce. The Muster Master is Willie Pollard, and the assistant Muster Master is Richard Palmer. To learn more about what’s in store, be sure to attend the presentation at our upcoming 2019 National Muster in Urbanna, VA.

See y’all at National!

2019 National muster schedule

If your travels bring you close by stop in and
enjoy the camaraderie
The North Midwest Region had a joint muster of the Kansas Cavalry and Midway USA Chapters in July. The Muster was held next to the Missouri River at Victorian Acres Campground in Nebraska City, Nebraska. The campground was great and there was many things to do. All had a good time.

The group visited several attractions in the area. We went to the Wildlife Safari Park and the Strategic Air Command & Aerospace Museum at Ashland, Nebraska. The next day we went to Lewis and Clark Interpretive Trails & Visitor Center at Nebraska City. While there, there was a “Soldier for a Day” that demonstrated hatchet throwing and musket loaders. Some of our people tried the hatchet throwing. The rest of us watched from the distance.

The itinerary for this muster had several open times so people could get out and see local attractions on their own. Some of the places visited were the Kregel Windmill Factory Museum, Firefighters Museum and the Kimmel Orchard and Vineyard.

We were happy to be joined by Bruce and Carol Gardner from the Florida Road Runner Chapter. They stopped for a visit on their way home after attending the SMART “Utah’s Mighty 5 Caravan”. They shared information on the caravan. It sounded like a great caravan.

We want to welcome Alan and Kay Oshel. Alan, a veteran, joined SMART and plans to be part of the Midway Chapter. We continue to try to increase membership. We made contact with 15 veterans during the muster, giving them information and encouraging them to join SMART.

Last but not least, on July 13th we celebrated our Regional Director, Sherwin Stielow’s, 85th birthday. Sherwin - Thank you for your service to your country, Kansas and SMART.
Resume of Edmund Wayne Ballard

Position: North Central Region Director

I, Edmund W. Ballard (Wayne) SMART # 12667, do hereby apply for and will accept the nomination for North Central Region Director. I hereby agree to accept and meet all responsibilities of this office if elected. I have read & understand the National Bylaws, Section 6.11 regarding compensation.

My resume for your consideration; I have for five years been and am still the chapter president of the Rocky Tops, South Central Region & President of the Ohio Valley, North Central region. I presently serve on the National Website committee, By-Laws & Standing Rules committee and serve as Assistant to the North Central Region Director, and Muster Master 2018 South Central Regional in Lebanon, TN.

I retired after twenty years in the United States Air Force, worked in a Unionized Aluminum Rolling mill for 17 years. As both a union & company representative/lobbyist, I traveled to DC many times, while also serving as the president of the Central Labor Council, representing 23 local unions, served on the board of the union owned Roosevelt Houses, a senior living community housing 500 senior/disabled persons. After retiring the second time, I, as a life member of the Disabled American Veterans, drove for & managed the DAV van service in Owensboro, KY, which transported disabled veterans to the VA Hospitals in Louisville, KY & Marion, IL & the VA clinic in Evansville, IN.

I completely believe in the concepts that SMART is based on & wish to see it growing again. We need some changes.

The Women In Military Service (WIMS) Chapter

was organized in 2018 and will have installation of officers at the 2019 National Muster at Bethpage on Wednesday, September 25 at 1130 in the café. This new SMART chapter is part of the At-Large Region which is composed of members from across the U.S. and Canada. WIMS is open to all women who have past or present military service and hold membership in SMART. All Muster attendees are welcome to attend the officer installation. At 1200 WIMS will have their first meeting and a potluck for all WIMS members. Please join us for the installation of officers and if you are interested in becoming a part of this new SMART chapter, please stay for the first meeting and bring a dish to share at the potluck.
