Vice Presidents Message July 2016

This was a great Muster!

First of all I want to thank Bruce and Liz Vance for hosting and Lou and Holly for being co-hosts, you guys did a great job and you should pat yourself on the back for job well done. Unfortunately Lou became sick and had to leave and I hope he is feeling better now. Holly did a great job of co-hosting and taking care of Lou and we hope everything turns out to the best.

I would also like to thank all the women and men that helped Holly to get things together so she could get Lou back home where he can rest. Also the group that was there all chipped in and did a great job in helping Liz and Bruce with the meals and cleaning you guys are the greatest.

Those who missed this muster sure missed the best one yet, everyone laughed we played games and the comradely was really great this time, the weather was alright except the five o clock showers just about every day, but all in all it was probably the best muster we have had in a long time everyone seemed to really enjoy themselves. I know i sure did. We had 14 rigs and two guests that Joel invited I sorry but I forgot their names but I will tell everyone their names at the next muster. We raised \$105.00 for the next muster which was given to Charlie and Mary for Septembers Muster. We have also got Three members on the nominating committee and they are Colleen, Kathy, and Martha. You go ladies!!!!!!!!!!.

I hope to see everyone at the September muster in NC . Hope to see ya all soon , so be good and take care, and for those who cannot make it due to health, my prayers are with you in hoping you all get better and can make the next muster because we all miss you and we are all thinking and praying for you to get better.

Vice President
Cosmo Baccomo
